## Dedicated, Experienced Representation for Indiana Clients

Facing a divorce or a criminal conviction is stressful enough. Working with an attorney should not add to your stress level.

You need a lawyer who not only is competent and professional, but who will also listen to you and involve you in your case.

As a lawyer for clients in Danville, Avon, Brownsburg, Plainfield and the surrounding areas, I work to maintain a casual, approachable atmosphere through which we can solve your problems. I'm committed to providing the highest quality of legal services to my clients in a cost-effective manner.

## Great Service is not an Aspiration – It's How I Serve Clients

I believe that being a great lawyer requires more than just a good performance in a courtroom. Great lawyers provide outstanding service that begins with listening to and understanding client matters so that appropriate action can be taken, and maintaining open and ongoing communication throughout the duration of a legal matter.

You deserve to be kept well-informed throughout the duration of your matter. You deserve an attorney who will be available when needed, and one who will answer your questions.
